

Sacred Journeys of WISCONSIN, And The LAKEHOUSE B&B present:

**THE NEXT STEP**  
**In ANDEAN SHAMANISM**

**The rites of the ALTO Mesyok**

**With your first round of the MEDICINE WHEEL you have received the first level rites of the Pampa Mesyok (rites of the EARTH KEEPERS) you are now ready for the second level of the ANDEAN rites of passage.**

**This program is a continuation of the study of the ANDEAN MEDICINE WHEEL and the ancient healing techniques, ritual, and traditions. With the second level rites the initiate becomes a keeper of the traditions and a caretaker of her larger community. The year long focus of this work is to further our work as energy healers for our changing times and at a deeper level leading to the 3<sup>rd</sup> level (Curk Akullek Rites) which are the Star rites of the Seer and the Sage - the caretaker of the cosmos. Join us as we bring this body of ancient work to the challenges of the 21<sup>st</sup> century.**
