

FEBRUARY 10-16, 2012 Andean Mystery Teachings

The Rites of the Munay-ki

Using The MEDICINE WHEEL with Holly Gray Schuck *

In this workshop the rites of the MUNAY-KI will be given. These ancient rites come from the Quero' people in the Andes of Peru. These mystery school teachings connect one to energies that can transform your life. Medicine wheels have always been a place of ceremony and ritual and a way of making sacred space more real and visible. We use the medicine wheel as a transformational map of YOUR journey home to your SELF.
